Hey, hey, Admiral!
Anything interesting going on at the base for Christmas today?
I heard Zara-kun and Prinz-kun were making the Christmas meals this year.
Italian and German ships?
What a surprising combo.
They happened to meet while Christmas shopping, apparently.
Oh, wonderful!
You think it'll work out?
It's more than surprising. I don't think I've even seen the two of them talk before.

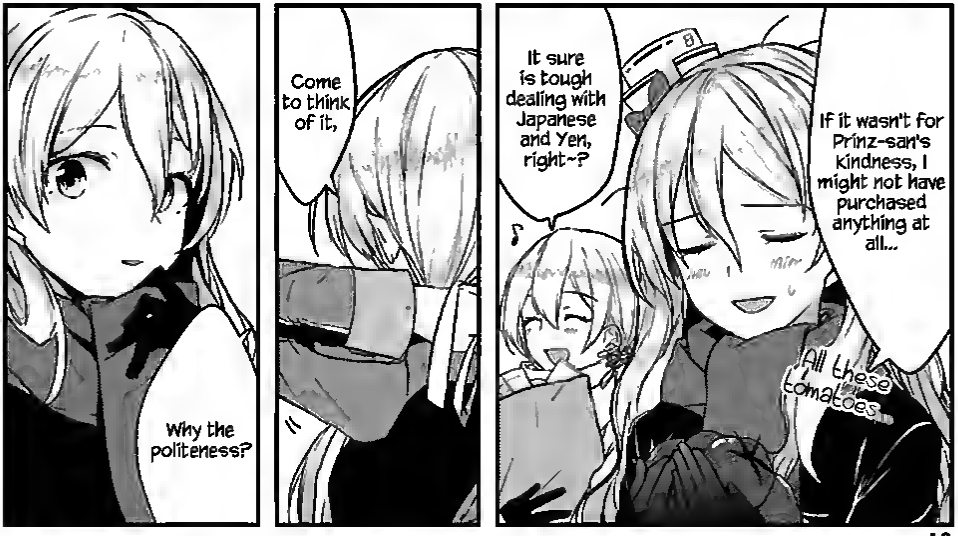
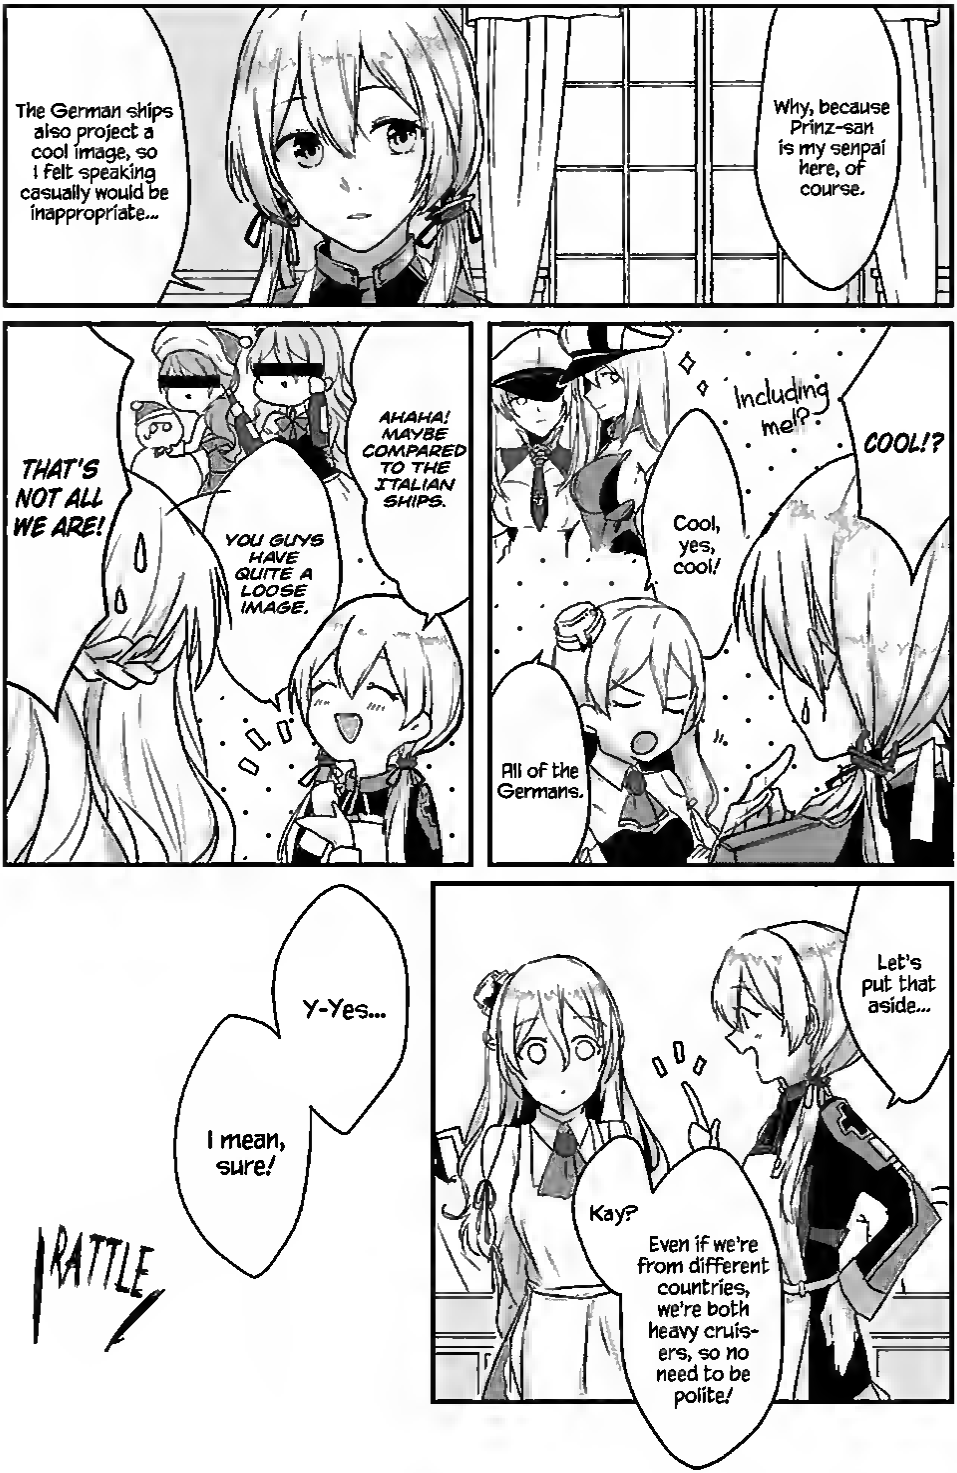
How easygoing...
CAN'T WAIT TO FEAST~
Yeah, yeah, it's Christmas!
Mhm
It'll be fine, it's Christmas!

Who knows how things might have turned out without Prinz-san...
Yup!
Thank you for your assistance in making shopping in Japan a success, Prinz-san.
Whew...
We bought a lot!

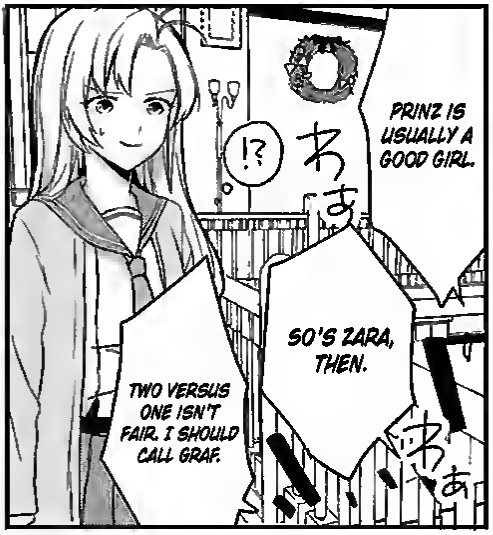


Why the politeness?
Come to think of it,
It sure is tough dealing with Japanese and Yen, right~?
If it wasn't for Prinz-san's kindness, I might not have purchased anything at all...
All these tomatoes...

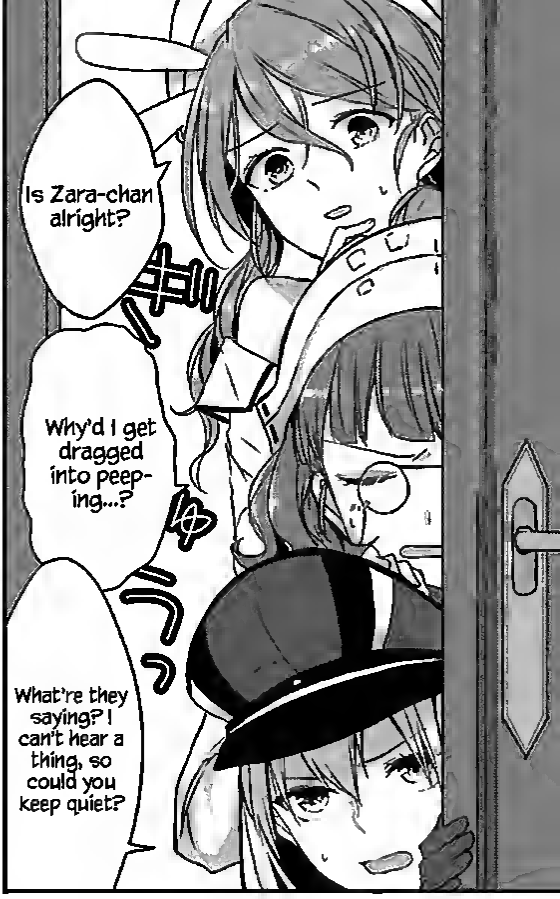


The German ships also project a cool image, so I felt speaking casually would be inappropriate...
Why, because Prinz-san is my senpai here, of course.
AHAHA! MAYBE COMPARED TO THE ITALIAN SHIPS.
YOU GUYS HAVE QUITE A LOOSE IMAGE.
THAT'S NOT ALL WE ARE!
Including me!?
COOL!?
Cool, yes, cool!
All of the Germans.
Let's put that aside...
Even if we're from different countries, we're both heavy cruisers, so no need to be polite!
Kay?
Y-Yes...
I mean, sure!
RATTLE

Is she going to make Zara stuff her cooking with potatoes?
NO WAY THAT'S HAPPENING.



PRINZ IS USUALLY A GOOD GIRL.
!?
あま
SO'S ZARA, THEN.
TWO VERSUS ONE ISN'T FAIR. I SHOULD CALL GRAF.
あぁ



Is Zara-chan alright?
Why'd I get dragged into peeping...?
What're they saying? I can't hear a thing, so could you keep quiet?

TASTY!
Beep, beep, beep
Second is probably spiced Lebkuchen, I suppose.
You can't have a German Christmas without Stollen!

We bought some very high quality chicken, after all.
I guess we just had to roast it, then.
WOW, ROASTED CHICKEN!
Is it done baking?
WOW, THAT LOOKS LUXURIOUS!
Now for roast beef.
Next is Pasta Al Forno!
Made by baking pasta with meat sauce in the oven, then cooling it. It's delicious.
はっ
Let's see if it's baked properly
WHAT"LL I DO!? THESE ARE THE POTATOES BISMARCK-NEESAMA PUT SO MUCH EFFORT TO GET SHIPPED IN!
Shipped Potatoes
The mashed potato's gotten really thick...
What's the matter?
AHH!?

すーーーん
Don't worry!
Leave these potatoes to Zara!
If the mashed potato's gotten too thick,
it might not make for a good side anymore.
But you can put it on pizza dough like this,
へちょ
へちょ
add lots of veggies and cheese, and bake.
じゅわんっ
Now you've got a potato and veggie pizza!
See?
WAHHHH, THANK YOU!
You helped me a lot today.
Don't worry.
I'm glad I could be of hel- er, I mean, I'm glad.

BUT I DIDN'T DO ANYTHING!
You invited me to join you this morning, didn't you?
I actually always wanted to talk with you, but I never did get the chance.
So I'm really happy you invited me to help throw a party.
You could call it a Christmas gift from heaven.
Oh? Is something the matter?
N-Not really.
I'm thankful as well.
Typical Italians...
I-it's almost time for dinner!
Woah, you're right.
We need to call everyone.
WOW, INCREDI-BLE!

Looks delicous~
A gift.
Wine
Whiskey
Shochu
Did you two make all of this!?
Looks like the two've really opened up to each other.
Guess there was nothing to worry about.
Well then,
MERRY CHRIST-MAS!
Everyone ready~?
Yeah!
